## EXPANDING AND ENHANCING THE CONTRIBUTIONS AFRICANS IN THE DIASPORA MAKE TO DEVELOPMENT

### ABC - THE AFFORD BUSINESS CLUB

An African focused business community in the UK. A space to connect with entrepreneurs in the UK and in Africa with the same focuses, value-systems, ambitions and experiences as yourself. The ABC offers a number of benefits and services for our members to assist in making doing business easier and more effective.

### THE AFFORD INSTITUTE

AFFORD Institute encompasses research, training and capacity-building, and policy-advocacy work. It brings together the development of diaspora knowledge through research, policy and practice and builds the capacity of stakeholders to engage with the theme of diaspora, migration and development.

### DIASPORA EXPERIENCE

The Diaspora Experience enables volunteering, business opportunities, knowledge sharing and cultural experiences for the diaspora community. The Diaspora Experience platform occupies a unique niche and ultimately offers “The journey and experience of a lifetime”.

### REMITPLUS RWANDA DIASPORA BOND

AFFORD has designed a new investment offer in response to the growing appetite of investors to fund high growth development propositions. The Rwanda RemitPlus Diaspora Bond offers a unique blend of development finance which will be next step solution for African diaspora remittances.
